

Reasons You Fail

Today we are looking at the reason people fail to have a successful experience in the sack that's right a hot time , a time that would want to be repeated time and time again. It is a sad fact that many people find their bedroom experience less than satisfying.

While there A couple of things you can do to spice up your love life and we will cover this at a latter time this is more to address what not to do, while not being a complete list it should be enough to get you successfully started on bedroom success.

A few important things to thing about is you do not want to disgust your partners by rushing, that right after a nice dinner don't start stripping as soon as the car stop, lets remember foreplay and a little bit of decorum fellas. Now that we have established you will take your time and put in a bit of effort, you must also remember to spend time on HER not her "bits" that's right speak and concentrate on lips.

Also while you are at the upper part of her body lets not forget when blowing in her ears cyclones are dangerous things so lets not try to recreate a category 5 storm , I don't know about you but this would not turn me on. You may think that the above is a given who would do that right, Well its more of a problem then not and not always with those less experienced. Forgetting the strength of blowing lets look at the quality if you have bad breath you will fail nothing on earth will help you restore that perfect moment if your breath smells like a garbage bin

Another great way to KILL the mood and fail in bed is to "NOT SHAVE" just imagine for a second that you are on the receiving end of your amorous advances that's right you are the receiver, would you like to have your hairy horrible face all over your person, I think not.

Now once you have spent some time with the foreplay and we haven't gotten past kissing yet, lets talk about what we perceive is possibly the best way to treat your lover. The best way of putting this is be gentle and loving , unless requested by your lover the best way to get the best result for everyone is to not go like a bull at the gate spend some time and give loving attention, remembering this is not a Rugby game.

Finally with this little bit of information provided here we don't expect that you will be an absolute expert, why not try to do a little study, that's right learn, search the net search for "reasons you fail" spend a little time on your skills , become a tradesman of love we all know that a good tradesman takes 6 years imaging how hard it is to learn to please women, that has to be more than a normal trade, you need to become a master tradesman of love.
