

The Value Of Christian Counseling Centers

Christian counseling centers are such a valuable tool to our community. There are so many areas in life where the counsel of a professional is necessary. As a Christian we are finding it harder and harder to live in this the world at a time when we are constantly being bombarding with many temptations and negative influences. We feel we are at war with this world. A lot of broken and hurting people are in need of biblically based Christian counseling centers. Yet many Christians and pastors seem to advise or preach against it.

In the Bible the book of Proverbs tells us in chapter 24 verses 5 & 6 it says "A wise man has great power, and a man of knowledge increases strength; for waging war you need guidance, and for victory many advisers." We are advised in God's word to seek counsel. It goes on to say in verse 7 "Wisdom is too high for a fool." We are foolish not to.

There are those who place too much value on the accumulation of knowledge, but Paul pointed out to the Colossians in chapter one verses 9 – 14 that knowledge in itself is empty. To be worth anything, it must lead to a changed life and right living. Paul prayed for the Colossians "asking God to fill you with the knowledge of His will through all spiritual wisdom and understanding. And we pray this in order that you may live a life worthy of the Lord and may please Him in every way; bearing fruit in every good work, growing in the knowledge of God, being strengthened with all power according to His glorious might so that you may have great endurance and patience, and joyfully giving thanks to the Father..."

Christian counseling centers are here to provide for you the tools of spiritual wisdom so that you are able to live a "life worthy", "bearing fruit," to be "strengthened" and to have endurance, patience and most of all joy!
