

Sexy Summer Maternity Sleepwear

If pregnancy ever makes you feel frumpy and lumpy, trying to squeeze into your old night clothes or your husband's unflattering tees, will do little to improve that self-image. Now is the time to embrace your new curves and shape both day and night! Fortunately there are a lot of super sexy styles in maternity sleepwear on the market today made specifically for maternity and nursing.

If you are looking for something lightweight, breathable and sexy for summer, check out Belabumbum's maternity and nursing nighties, which they refer to as "nursing chemises." Belabumbum has some of the cutest maternity/nursing babydoll nighties on the market today. Their styles are soft, feminine, easy to wear around the house and very comfortable for sleeping. Belabumbum's maternity/nursing chemises all have adjustable straps with comfortable bust support and easy nursing access with nursing release straps or easy pull down style with a cross over front design. Their Cotton Dot Lotus Chemise comes in both soft pink and blue baby polka dots on white and also has a matching Cotton Dot Wrap Robe that can be purchased separately as a light cover-up. New this season, Belabumbum has an adorable ribbed Bamboo Chemise that is cut a little shorter and comes in a soft blush and pool colors. If your tastes are more earthy, then take a look at their new Flower Child print maternity/nursing chemise.

Maternal America is a label that knows how to combine sexy with tasteful and wearable in maternity fashion. It has now expanded in maternity sleepwear. Their soft grey and violet pastel stripe cami and Capri pajama pants are as comfortable as they are sexy. The cami has a beautiful lace V crossover neck with adjustable straps and the grey Capri bottoms have a soft violet lace hem which hits just below the knee. The cami also has easy pull down nursing access.

Olian maternity, a well established maternity label, has a great variety of maternity and nursing sleepwear styles that come in 2 piece nightie and robe sets to 3 piece pajamas and robe sets, to 4 piece sets with robe and baby sleeper. These coordinating sleeper value packs also make great baby shower gifts. The Black Lace Olian Nightie comes with both a spaghetti strap lace accent short nightie with nursing access and a coordinating wrap robe which hits below the knee. This set is perfect for the summer and warmer months and is both feminine and sexy.

Majamas Lace Sleep Set is another great choice for a sexy sleepwear set with maternity/nursing night shirt and robe that makes for excellent loungewear. As the name implies, this sleep set has a beautiful lace outline across the front and long the trim of the robe. The top is a cross over tank style with pull down nursing access. The robe has an adjustable front tie in coordinating pewter or black solid colors, like the shirt. The pewter color has a black accent lace on both the robe and nightie for a very elegant combination. Majamas material is super soft, stretchy and moisture wicking for extreme comfort throughout your pregnancy and beyond.

If you are looking for all out seductive maternity sleepwear, then take a look at Passion Spice sleepwear and lingerie. This brand is also made specifically for maternity and nursing and is made to bring out the sexy side of pregnancy. Their Giselle Babydoll is a sensual lace cup with mesh lace overlap style which has adjustable ties in back for a custom fit. The Giselle Babydoll comes in both sexy rouge and black colors and also has a coordinating Gigi Bikini which can be purchased separately.

Whether you are looking to feel more like a girl or go all out seductive, there are some excellent choices in maternity and nursing sleepwear to spice up your maternity sleepwear wardrobe this summer!
