If you still need some assistance after going through that list of funny pet names for fish, you can always compile a name based off of what each person in your family wants. One fun idea is to take a hat and everybody write down one name that they want to name the fish. Everyone puts the name into the hat and you shake them up. Next, take the names out of the hat one by one and lay them out on the table.

After each name is laid out on the table, everyone can go around making up a funny name that incorporates each of the names in the hat. You can end up with the longest, silliest name you have ever heard of for your fish, and everyone in the family will be happy that they had a role in naming the newest addition to the family. Since fish do not need to know their name to be trained like other family pets, your options are truly endless with long, silly or wacky that you want to make your funny pet names for fish be.
