

## How to Choose Your All Inclusive Jamaica Vacations

Jamaica is one of the most luxuriant island you could ever wish to visit, and it is certainly the most popular tourist destination in West Indies. This island is filled with exquisite food, white sand beaches and deep rich historical past. All inclusive Jamaica vacations offer you the perfect opportunity to explore the vast array of tourist attractions that are available to you in Jamaica.

The island of Jamaica is situated just south of Cuba and west of the Dominican Republic. All the major cities here are situated along the seashore, these include Ocho Rios, Montego Bay and Kingston. When you are on your all inclusive Jamaica vacations, If you wish then you will be able to travel to all or just one of these fantastic resorts. These resorts all have different beaches to a certain degree. This gives you the opportunity to have the most pleasurable all inclusive vacation in the Caribbean.

Seven Mile Beach is certainly one of the finest and most popular beaches in Jamaica, this beach is located near Negril. It is a picturesque beach, that has golden sand over an area of 11 km and is located on the west coast. It is an ideal place for families to visit

Boston Bay Beach is another beautiful beach in Jamaica, located near the Port Antonio. It is renowned for its clean waters, white sands and of course its many jerk pork stands. Tourists often come to this beach to surf and surf boards are readily available for hire here as well.

You should take time on your all inclusive Jamaica vacations to explore some of the interior of Jamaica. The Black River is situated on the South Coast of Jamaica. If you take the time to visit this area, you will be reminded of the Tarzan films, this is because the place is full with lush green trees and forests.

Another popular thing for tourist to do is go on an excursion with South Coast Safaris. Not only will you see crocodiles on this excursion, as there is a large and varied amount of other wildlife there as well for you to see. This excursion is extremely popular with birdwatchers, because of the abundance of birds and bird life in these forests

The Blue Mountains is one of the largest and greenest parks in the Caribbean. To reach the peak of the mountains you have to trek five to six hours through deep foliage. While trekking you can listen to wonderful bird songs and chirping of the birds. Certainly this is only for people who are reasonably fit and not feint hearted.

All inclusive Jamaica vacations offer the opportunity of enjoying a rafting experience. You can go rafting on the Rio Grande, which is located near Port Antonio. Rafting on the Rio Grande is certainly a unique experience and you can use the bamboo poles supplied to push the rafts along. Martha Brea's village is another place where you will also be able to enjoy rafting during your Jamaica vacations.

This village offers a superb rafting experience. Here you have to sit on a high platform, which is made from cane wood and from the platform you can observe the long spread out river surroundings. The view of the river scenery is attractive and charming.

Enjoy an all inclusive Jamaica vacations by exploring various attractions and relishing the glory this place.
