

Carhartt Clothing - A Brief History of the Brand That Revolutionized Work Wear

Carhartt Clothing

Setup in 1889, Carhartt is a clothing company based in US. It was with the painstaking efforts of Hamilton Carhartt that Carhartt was established and has its headquarters in Dearborn, Michigan. If you go for the specialization, Carhartt deals in workwear. In the US, its products include hardwearing, rugged, durable work clothes like jackets, coats, overalls, coveralls, vests, shirts, jeans and dungarees.

Carhartt® X02 Arctic-Lined Coveralls have concealed two-way zippers on both sides of legs to waist and in the front. Other utilities include a hammer loop, tool pockets, chest pockets and a pencil slot. These coveralls also have two patch pockets at the back and two slash pockets in the front. Also present are snaps under the collar for an optional hood. The coveralls are meant to be worn over street clothes and hence have a 12-oz. cotton duck shell. Moreover, staying true to its name, the Arctic-quilted nylon lining has an 8-oz. polyester fill to provide protection during cold temperatures.

Carhartt is also known for manufacturing quality tees and shirts. In tees, you have an option of going with full and half sleeves. Both the varieties have rib-knit collar and cuffs. In addition, on the left chest is a pocket with the Carhartt logo embossed on it. The Polo Shirts have a special 6-oz. Work Dry® fabric in order to keep moisture at bay and thus keep you fresh and dry. The Full-Zip Fleece has a zip in the front and shows minimal pilling and shrinkage. All the shirts are made of a blended fabric of cotton and polyester. These shirts are available in two sizes namely Regular and Big and come in a host of colors like maroon, blue, red, gray, biscuit, etc.

In the category of pants, jeans and shorts, Carhartt is no less than those leading the packs. The long range of Carhartt Workwear for covering your legs include Carhartt® B11 Washed Cotton Duck Dungarees, Carhartt® B11 Washed Cotton Duck Dungarees, Carhartt® B13 Denim Dungarees, Carhartt® B151 Canvas Work Dungaree. In addition, you will find Carhartt® B160 Relaxed Straight Jeans, Carhartt® B167 Loose-Fit Jeans, Carhartt® B167 Loose-Fit Jeans, Carhartt® B172 Flannel Lined Jeans, Carhartt® B180 Traditional-Fit Jeans, Carhartt® B184 Denim Trade Shorts, Carhartt® B17 Relaxed Fit Tapered Leg Jeans, Carhartt® B111 Flannel-lined Duck Dungarees, Carhartt® B136 Washed Duck Dungarees and Carhartt® B189 Loose-Fit Jeans. All the jeans and pants are washable and generally have two front and back pockets, a ruler pocket and a hammer loop.

Apart of clothing, Carhartt is also well known in the field of clothing accessories. The accessories line includes belts, knit caps, crew socks, thermal crewneck shirts, thermal bottoms and thermals. The belts are made of top-grain, oil tanned leather with a nickel buckle. All the belts are 1-3/8" wide and are available in two sizes- regular and big. In the coats and jackets section, the products made available by Carhartt are Carhartt® C02 Sandstone Chore Coat, Carhartt® J131 Thermal-lined Hooded Jacket and Carhartt® J176 Soft-Shell Traditional Jacket.
