

## Get a Bargain Car Hire in Cyprus

Bargain car hire in Cyprus is almost on every corner, with many companies vying for your custom which makes the prices very competitive. It is worth taking the time to visit a couple of offices to haggle for the best deal if you are hiring locally for a few days, otherwise it is easier of course to book on-line and pick your car up at the airport on arrival. A Cyprus country map should be given to you when you pick up the paperwork for the bargain car hire in Cyprus, or you can always pick one up at one of the many shops that stock them, this will be your key for unlocking the islands true identity.

Due to the Cyprus weather having year-round sunshine, blue skies and clear warm waters, the island has the reputation of being one of the world's top destinations for a sun, sea and sand holidays. But there is so much more to the island, so pick up your bargain car hire in Cyprus and head into the countryside away from the tourist areas, armed with your Cyprus country map you will discover the true spirit of the region. The countryside has remote traditional villages where even here the locals will usually have some words of English and may invite you to sit for a coffee. There are acres of vineyards with local wineries, remote monasteries and tiny white churches hidden in the most unlikely of areas.

Cyprus property for sale is sometimes disparaged for making the island into a concrete jungle, and while those comments may be true of some of the main tourist areas, by taking your bargain car hire in Cyprus into the countryside you will see that the island is still remarkably unspoilt, with a Cyprus country map you will discover the authentic island, and may even decide to buy some Cyprus property for sale for yourself to enjoy quality time among the population of warm-hearted, family-orientated and hospitable people in the most crime free country in the EU. In the villages and small towns, people still leave their doors and cars unlocked however it may be unwise to do this in the tourist areas!

Because of its very strategic location the island of Cyprus has a rich cultural heritage taking in many of the worlds great influences, in your bargain car hire in Cyprus you will discover Venetian built bridges that were once part of an ancient trade route, many Byzantine chapels, the Romans arrived because of the wealth of copper (this is where the name Cyprus came from). Christianity was introduced by the Apostles Barnabas and Paul and Lazarus who Jesus raised from the dead, came to Cyprus in 33AD and became their first Bishop and Patron Saint. A Cyprus country map will take you on a living history lesson taking in the periods from Pre-Neolithic right through to the current Republic of Cyprus.

So do come to the island and with your bargain car hire in Cyprus take advantage of a myriad of pastimes; hiking and rambling, cycling, horse-riding, angling, ornithology, botany, water sports of every description and even skiing and snow-boarding. Even just driving is an adventure. Is it any wonder that a holiday is too short for many visitors and they simply have to buy Cyprus property for sale to spend more time here!!
