

## The Most Popular Watches and Brands

There are many watch brands available on the market, each varying in style and price. This information guide will cover some of these popular models, along with watch details and company overviews. All of this will come in handy when trying to decide on a watch brand. Included are other popular watch brands that are worth looking into such as Timberland and Seiko.

Bulova Watch Corporation: Accutron

Accutron watches are a brand from the Bulova Watch Company that was introduced to the market in 1960. Watches are made in Switzerland however they are designed in the United States. Accutron is actually the world's first completely digital watch. These quartz watches carry warranties on the movements and are quite stylish. The Citizen Watch company recently acquired the Bulova Watch Corporation in early 2008.

Featured Style: Accutron Belize Mens Watch

From the Belize Collection: Black enamel dial. domed sapphire crystal. four-screw casebacks. stainless steel case and bracelet. deployment buckle closure with lock. water resistant to 50 meters.

Citizen watches

The history of the Citizen watch dates back nearly one hundred years to 1924. In that year, the Shokosha Watch Research Institute created the first Citizen watch. The name was actually coined by the Mayor of Tokyo at that time Shinpei Goto. By 1930 the name had permanently stuck. Citizen watches come equipped with digital and chronograph technology.

Featured Style: Citizen Perpetual Calendar Watch

A deep black face with orange markers creates a bold look that is matched with a full set of features: a perpetual calendar, 1/20 second chronograph, 12/24 hour time, dual time, screw-back case, Eco-Drive, and 667 feet of water resistance.

Movado Watch Brand

Movado, in the artificial international language Esperanto translates into 'always in motion'. In 1881 the watchmaker Achille Ditisheim and his staff in La Chaux-de-faunds, Switzerland began crafting watches in his workshop. All watches were hand made and numerous awards and certificates have been achieved due to the watches functions. Although Movado has recently announced job lay-offs to shrinking revenue, it's still one of the top watch brands out.

Featured Style: Ladies' Movado Rondiro

This ladies stainless steel Movado Rondiro bracelet watch has a mother-of-pearl dial and diamond bezel. It is also water-resistant.

Victorinox Swiss Army, Inc.

Although Swiss Army has been around since 1884 creating Swiss Army Knives, the watches weren't introduced in the United States until 1989. According to Swiss's official website, their largest model the SwissChamp has thirty three features and requires over four hundred and fifty steps to manufacture.

Featured Style: Victorinox Swiss Army Classic Alliance Chronograph
